

Top 10 Bottom 10 Indexes

Past/Current Performance Is Not Indicative Of Future Results: These returns are just a one day snapshot of the actual current year to date performance of the "raw" index. It doesn't and can't predict what the full 12 month performance will be, but does give you an idea of what is or isn't working so far in 2025.

As of 1/24/2025

Top 10 Indexes - Actual Performance
